

A photograph of a large industrial facility, likely a waste sorting plant. The image shows multiple levels of conveyor belts and sorting machines, all painted in a teal color. Yellow safety railings are visible on the walkways. The machinery is complex, with various chutes and bins. The background shows the interior of a large warehouse or factory with a high ceiling and industrial lighting.

**MANUFACTURE / DESIGN OF SORTING
AND WASTE RECOVERY UNITS**

The logo for Vauché, featuring a stylized green plant icon above the company name.

Vauché
